St James' Church Cambridge

We are a local Parish Church seeking to serve our local neighbourhood and beyond. We are broad and inclusive and offer a warm welcome to all. We work with our neighbours to build community and to meet need wherever it occurs, hoping to make God's love visible.

Cambridge City Foodbank

Our vision is to end the need for UK foodbanks. Each day we meet the need for emergency and affordable food, and tackle the causes of poverty, by harnessing the power of the community. We are an independent local charity and member of the Trussell Trust network. We value dignity, justice, compassion, community and impact, in all that we do. We serve local people regardless of background, inspired by our Christian ethos and values.
